Our summer program follows the same philosophy as Village Montessori School, LLC:

The staff of Village Montessori School, LLC is committed to providing a kind, loving and nurturing environment for our students and their families. We acknowledge we are helping to form future citizens, and are dedicated to providing an environment built on respect for each person within our school community. Our core goals are the development of the whole child, building partnerships with parents and developing a sense of community.

## SUMMER PROGRAM

Summer is a time for children to make new friends, play, develop their creativity, get in touch with nature and learn new games and sports. We intend to provide such a summer for your child within our Montessori environment – which continues to encourage grace & courtesy while promoting physical, social and emotional development.

Little Villagers is dedicated to meeting the individual needs of each child: providing a safe, supportive atmosphere in which each can explore, create and enjoy a summer that will leave them with many pleasant memories.

Throughout the week, Villagers participate in the following activities:

- New theme every week
- Arts & Crafts
- Music & Movement
- Water Play
- Outdoor Walks & Adventures
